Winter Weather

We officially braved our first snow of the season! Please be sure to send winter jackets, hats, mittens/gloves, boots, and snow pants with your children each day. If they need to leave winter gear here we can certainly accommodate that as well.

TRM Fundraiser

A flyer and catalog will be coming home today regarding the fundraiser "For Small Hands". This is a great way to incorporate Montessori Materials and activities into your home, their items also make the perfect gifts! Please share the catalog and website link with family and friends.

Anyone can order from this beautiful catalog by going to the following link:

Friendship Groups

Thank you to those that filled out the interest survey for their child! Some students were also identified by their classroom teacher. You should have received an email if your child was selected to participate. Please check your child's backpack for a permission slip/questionnaire regarding friendship groups and return by November 6th.

Children's House Expansion

The TRM Board of Directors approved an expansion of our programming to include a Children's House Preschool program. An interest survey was sent out a while back and we generated enough interest to move forward. The Board of Directors has set a target date of January 2nd, 2024 for opening. We have also received approval from our Authorizer and MDE to move forward this year. TRM administration is now working with the Department of Human Services (DHS) to become a certified child care program.

As we continue to develop programming we will communicate with all of our current families. A couple of notes on already developed plans:

1. This will be a fee based program that will cost \$900.00 per month for the 2023-2024 school year.
2. Lunch will not be provided and will need to come from home for this year, but a morning and afternoon snack will be provided and include a grain, dairy, and fruit.
3. We have hired Paige Lundeen as the Lead Guide for our Children's House. She is AMS Montessori Certified in Children's House (Preschool and Kindergarten) and a Licensed teacher in the state of Minnesota for early childhood (Birth through Grade 3).
4. The program will mirror the elementary school day from 7:30am to 1:45pm with a morning work cycle and time for a nap/rest built in.

We hope you find this news exciting as it has always been the intent of Three Rivers to build a foundation with a Preschool program. Please reach out if you have any other questions about this new program.
