Friday, January 19th, 2024

# WELCOME January

## Reminder:

- No school next Friday, January 26th for a teacher workshop day
  - Pathfinders also closed

## Intent to Return

If you haven't already, please complete and return the intent to return form. This will help us to determine how many seats we have available for new students for the 2024-2025 school year. Alternatively, you can complete the form online at the link or QR code below. Thank you for helping TRM administration with this.

## TRM Summer Programming Interest Survey

If you are interested in Summer care, please let us know via the linked survey below. We will make determinations on programming based on the interest we receive from this initial survey. Thank you!

## CCAP Funding

We are thrilled to now be eligible for CCAP funding for our paid preschool and Pathfinders programs. We are recognized by Sherburne county and have an application in with Wright County. We are working to also include Anoka County to widen our net of support. Hennepin County is open for us on an as needed basis as well. Families can access support to help close the funding gap and make our programs more affordable with this service. More information can be found on the Sherburne County (or other counties) health and human services site.
