NO SCHOOL Monday, February 19th for Presidents Day

AMS Family Connection

Please find the February edition of the American Montessori Society's Family Connection newsletter attached. Here you will learn about the absorbent mind, a fascinating read about the way Montessori supports our young learners. We hope you are enjoying this newsletter and learning more about Montessori!

The Birch Room Grew Bacteria This Week!

Students used petri dishes to grow their bacteria and made observations on the growth of the cultures. They were scientists and investigators. Ask your 4th grader what they learned after their experiment!

Social Media to Include New Children's House

TRM has brought our Instagram page back to life! Children's House will be featured on this platform, as we ease into adding another social media platform to our school. We do our best to keep our Facebook page fresh and the addition of Instagram will further connect everyone to our Montessori life here at TRM.

Check us out at:

E2 Talent Show

Birch and Walnut classes organized and performed a talent show last Friday. The students formulated a plan, made posters, prepared and offered snacks, MC'd the performance, and supported all of the children who participated. The only adult support that the students asked for was choosing a date that worked best for both classrooms. The independence and problem solving skills that Montessori classrooms foster were on display in the talent show experience!
