TRM Wins the Crow River News Reader's Choice Award as the Best Montessori School!

The public has voted and determined that Three Rivers Montessori was their choice for the best Montessori school in the 2024 Reader's Choice Awards Contest. We are humbled and honored to be recognized in the local community. We encourage current and potential families to come and visit to see how we work to incorporate Montessori into our public school and private Children's House. Of course, none of this is possible without dedicated families like yours coming along on this journey with us. We thank each and every one of you for trusting your children's education with TRM. We look forward to continuing to build sustainable Montessori programming that highlights the importance of school choice in the area.

 **Thank you for voting us Best Montessori School!**
