2024 Board Elections

A communication from the TRM Board of Directors went out earlier this week. Please note that Board elections will be held in May. There are two open seats and we encourage family or community members to join our 5 other Board members for the 2024-2025 school year. The board works on strategic planning and works to create the planning and vision for TRM that carries us forward. For more information on the board and this volunteer opportunity please feel free to reach out to our Board Secretary, Brooke Blomker at: brooke.blomker@threeriversmontessori.org

March AMS Family Connection

Find the latest edition of the March Family Connection attached to this newsletter. This month AMS highlights “The Reasoning Mind of the Elementary Student”. We hope you find this article helpful in continuing to understand the Montessori method and how we embed it here at TRM everyday.

2024-2025 Enrollment Window
Re-Opened

Now that the lottery has been completed, the enrollment window for next year has been re-opened. We still have various seats available for next school year. If you know of anyone looking for school options for next year, please send them our way. We would love to take them on a tour and show them TRM in action!

Happy Spring Break! **1**
