General Statement of Policy for Admissions

It is the goal of the Three Rivers Montessori (TRM) Board of Directors to make our school accessible with opportunity for all, and to ensure quality Montessori Education. This policy addresses the terms and conditions of student admissions at TRM.

TRM shall be open to any child who is eligible under the laws of the State of Minnesota for admission to a public school. TRM shall ensure compliance with all applicable anti discrimination laws governing public schools, including Minnesota Statute 124D.10.

School Tours

TRM will offer tours of its facilities and programs on an individual basis for interested families. Please see our website for more information:

Note: Montessori philosophy believes in providing children a significant “normalization period” the first many weeks, sometimes months, of every school year. Thus, with the exception of the teacher(s), adult presence is very limited in the classroom environments during the “normalization period”.

Admission Requirement & Enrollment Procedures

TRM serves Kindergarten through Sixth grade students.

A child must be 5 years old by September 1st of the current school year in order to enter Kindergarten.

Class Size

The classroom or program level enrollment sizes may be changed at the discretion of the School Leadership team.

Note: Three Rivers Montessori Charter School Program welcomes students of any race, color, creed, religion, national or ethnic origin, disability, status with regard to public assistance, sex, and sexual orientation.
